

Resources and Events

America Cares - For the families of our fallen soldiers and veterans.

Website Design Services - The Energy Grid provides power web strategies.

The 2nd Annual Book 'Em Event will be held on Saturday, October 27, 2007 in Lebanon, New Hampshire. The Author Registration form can be found on the website. Proceeds from this unique event will be used to help fund current and future literacy programs. This ground-breaking Book Fair highlighting the connection between illiteracy and high crime rates features

dozens of authors who will be signing their books and giving talks on writing, the publishing industry, and other topics of interest throughout the day.
